### Internet / Facebook Permission Form

**Dear Parents,**

We would like to keep our website and Facebook up to date with pictures of events and activities involving your children at school. To enable this process, we need your permission to post images of our school and the activities where your children appear and participate in at school.

For security purposes, we will never use our learners' names anywhere in either schools website or social media sites as your child's/children's protection is very important to us.

Please note we will use very strict guidelines in what we post. The Facebook page is only a tool for a parent to be part of the school and the activities the children part take in.

Please complete the form and send back to school.

Sincerely yours

Tshireletso More
